CLASS DESCRIPTIONS

We offer a variety of classes at our City centres. Take a look at our selection!

Body Pump

BODYPUMP, a total body workout that will burn calories, shape and tone your entire body, increase core strength and improve bone health. World leading Instructors will coach you through the scientifically-backed moves and techniques pumping out encouragement, motivation and great music - helping you achieve much more than on your own!

City Hype

Cardio based class that uses steps and old school aerobic moves to get you hyped. Come on down to cardio town and get fit, whilst having fun and showing off your aerobic moves.

Circuit

A group training session in which participants will be moving through different working stations for a period of 60 minutes. These workstations will target full body movement. Both upper body and lower body areas will be included in each session. Strength and cardio based activities included.

Aqua Aerobics

Aqua Aerobics is performed in shallower, waist depth water, and is a challenging but fun class for all fitness levels. This resistance training class is an aerobic exercise that focuses on endurance and resistance training, in a fun and enjoyable environment.

Mobility

Express Mobility is designed to help stretch and work on areas that may be causing tightness. This class is run in a relaxed environment using rollers, bands and own body weight. Great for all levels.

City ABT

The classic and popular Abs, butt and thighs workout. For those wanting to feel the burn and tone the body.
